National Catholic Sisters Week March 8-14
National Catholic Sisters Week is launching the second week of March as part of National Women's History Month. This is a special week to remember the many ways the religious Sisters have served here and in countless places throughout the world. We are called to be women of prayer, of study, of reverencing the earth, of promoting peace, of opposing human trafficking, and of fostering other social justice issues of today. We wish to note services we have given, and also the blessings received in this parish and in the Larned Community. Beginning in 1936, the Dominican Sisters have ministered in Sacred Heart School, in St. Joseph Memorial Hospital, and in parish ministry. In turn, we have been blessed in so many ways; for example, opportunities for daily Mass and sharing faith with you in various settings, friends shoveling snow from our driveway, providing fire wood, cutting down trees, giving transportation, sharing resources from farms and gardens, recharging car batteries, taking us out for a meal, working to get the kinks out of our computers, offering wonderful gifts at Christmas time, to mention a few. As we promise to pray for each one of you, we ask you to keep us in prayer especially during the National Catholic Sisters' Week, March 8-14, 2014. You are invited to stop in for a visit anytime during this week to learn more about us. *Sister Rebecca and Sister Irene*

Vocation Views: God promises never to forget us. Choosing the God who can never forget us leads to nothing less than riches beyond measure (Matthew 6:24-34). If you think God is calling you to be a priest, contact Fr. Wesley Schawe at 620-227-1533 or vocations@dcdiocese.org.

Jesus says that we are more important than the birds of the sky and the birds do not sow or reap nor gather anything into barns. Can we trust the Lord to take better care of us than the birds of the sky?
