Want to donate to rebuild Notre Dame?

The United States Conference of Catholic Bishops is directing those who wish to donate to help repair the Notre Dame Cathedral in Paris to a website set up by the Basilica of the National Shrine of the Immaculate Conception in Washington, D.C. The website is www.SupportNotreDame.org. Fire tore through Notre Dame Cathedral in Paris, causing severe damage to the centuries-old structure. The impact of the fire on the faithful of the city and of the world is immense and the full extent will not be known for some time.

“Patients need to be able to trust their doctors to always care for their lives and never deliberately cause death...Patients facing serious illness may feel hopeless and depressed, as though their lives have lost meaning. Addressing psychological, emotional, and spiritual problems is essential to palliative care. Assisted suicide alleviates none of these problems, but gives in to them.”

USCCB Secretariat of Pro-Life Activities “Killing the Pain, Not the Patient: Palliative Care vs. Assisted Suicide”

PARISH ELECTIONS

In today's Gospel, Jesus gives His disciples – and us – a new commandment: “love on another.” Good stewards who spend their time and talents in service to others are well on their way to fulfilling this commandment.
