Want to donate to rebuild Notre Dame?

The United States Conference of Catholic Bishops is directing those who wish to donate to help repair the Notre Dame Cathedral in Paris to a website set up by the Basilica of the National Shrine of the Immaculate Conception in Washington, D.C. The website is www.SupportNotreDame.org. Fire tore through Notre Dame Cathedral in Paris, causing severe damage to the centuries-old structure. The impact of the fire on the faithful of the city and of the world is immense and the full extent will not be known for some time.

"Mary, patroness of America, renew in us a love for the beauty and sanctity of the human person from conception to natural death; and as your Son gave His life for us, help us to live our lives serving others. Mother of the Church, Mother of our Savior, open our hearts to the Gospel of life, protect our nation, and make us witnesses to the truth."

United States Conference of Catholic Bishops "Living the Gospel of Life"

Today's reading from Revelation offers a vision of the City of God, the new Jerusalem. "But" the bishops' pastoral on stewardship reminds us, "that 'life to come' is in continuity with this present life through the human goods, the worthy human purposes, which people foster now."
