“When parents say ‘yes’ to life for their child, they are saying ‘yes’ to the most loving and healing path for all involved. When God invites us to draw close to him by following his commandments (Jn 14:15), he does so because he wants what is best for us. By saying ‘yes’ to life for their child, which is morally good and right, parents are placing their trust in God and embracing their child and the life their child has been given for as long as it is given.”
