"Everyone in the crowd sought to touch [Jesus] because power came forth from Him and healed them all" (Luke 6:19). What is our response to the coronavirus? What preventative steps should we take to lessen the spread of coronavirus, influenza, and other illnesses during the celebration of the Eucharist? After much consulting and prayer, my pastoral judgement: I review these fundamentals that always apply:

- all priests, deacons, extraordinary ministers of communion, and altar servers are to practice good hygiene, washing their hands before Mass begins, or even using an alcohol based anti-bacterial solution, especially those who distribute Holy Communion.

- any priest who is sick is to find a substitute, or if a substitute is not available, to have Sunday Celebration in the Absence of a Priest in his parish.

- the faithful who are sick are to be assured that they are not obligated to celebrate Holy Mass, and even due to charity, they ought not to attend.

I have decided, for the time being, beginning no later than March 9, 2020:

- to suspend the exchange of the sign of peace; to refrain from other hand to hand contact during Holy Mass.

- to suspend the distribution of the Precious Blood of Christ to the faithful. Priests, please consider options for those with celiac disease or sensitivities. We ask you to receive the Precious Body of Christ by the hand.

This decision will be reviewed as the coronavirus situation unfolds. Please hold each other in prayer, especially those who are ill. This crisis may be an opportunity for a more profound pastoral outreach to the sick, by individuals, families, and parishes.

When Jesus asked the Samaritan woman for a drink of water, He opened the door for a life-changing relationship with Him. Scripture says her testimony drew many others to Him as well. We, too, must be ready to respond whenever and wherever the Lord speaks to us and be prepared for it to change our lives!
