VALUE THEM BOTH

In 2019, the Kansas Supreme Court issued a ruling that “discovered” a right to an abortion in the 1859 Kansas Constitution. This decision puts at risk all existing pro-life laws that protect women and their unborn children from the abortion industry. In January 2021, the Kansas Legislature stood up to the abortion industry to support women and babies. They voted to put the Value Them Both amendment on the ballot the next year. Now, Kansans will get the final say with a vote on the amendment in August of 2022. Value Them Both will allow Kansans to, once again, regulate the abortion industry. Vote YES on August 2nd!

Stewardship Thought for the Week

Today’s readings speak of hospitality. Abraham, who cheerfully did for his guests all that desert hospitality required, was rewarded with his heart’s desire – a son. Martha also busied herself with all the details of hospitality, but grudgingly and with complaint. Am I a cheerful or a grudging giver?
